## Parents' Consultation: Draft RSE Policy

Wednesday 16<sup>th</sup> June 2021

Dear Parents,

Following a meeting of the Board of Governors on Tuesday 15<sup>th</sup> June, we are now in a position to resume our programme of curriculum development in RSE.

As many of you will be aware, we were nearing the completion of this project back in January 2020, when it was required to be paused at very short notice. Our intention at that stage was to deliver the classroom content, evaluate it, make any necessary adjustments, then finalise the Draft Policy for consultation; following a *'practice into policy'* methodology.

However, following our widely publicised difficulties, this order of progression has been reversed. We are now circulating the Draft Policy for your consultation in the hope that we will be in a position to deliver the classroom content as soon as practically possible in the new school year 2021/22.

The Draft Policy has been sent to parents via a notification from the school app. Once parents have read the Draft Policy, they are invited to submit feedback via the digital form below:

Submit consultation feedback [here](#) .

We would like to take this opportunity to thank parents for their patience, understanding and support during what has been a very challenging time.

Yours sincerely,

Mr C. Currie (Principal)

and

Mrs C. Ryan (PDMU Coordinator)
